What are we doing?

In late October we will be closing Shipton Lee Road to dig trial holes in order to locate underground utilities.

Our team will be working to complete the trial holes in just under two weeks. This section of road will be closed for 24-hours a day.

To carry out these works safely and effectively we will need to put in place a road closure with signed diversions. Our teams will be working in open trenches on and around carriageway.

When will these works take place?

A section of Shipton Lee Road will be closed, 24-hours a day, from Monday 23 October until Friday 3 November 2023.

There will be no access for emergency services.

These dates may be subject to change due to circumstances outside of our control, such as weather. Please refer to the HS2 website regularly to check for any changes or updates.
