## What are we doing?

As part of our continued works for the diversion of a local water mains, our team need to work in open trenches along Church Lane and outside local properties.

To carry out these works safely, we need to close the road along Church Lane in Mixbury. These works will take place in the daytime, during our core working hours.

Where works allow, we will remove traffic management within the closure period when it is not required.

## When will these works take place?

A section of Church Lane will be fully closed from Monday 9 October to Friday 27 October.

Works will take place Monday to Friday 8am to 6pm, and Saturday 8am to 2pm. The road will remain closed 24-hours a day with access maintained for local residents and emergency services.

There will be no Sunday working. Our aim is to keep the disruption to a minimum.
