

Notice of traffic management

A4010 Risborough Road

October 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

In October, our team will be digging trial holes in preparation for upcoming utility diversion works. The trial holes will help locate underground utilities in preparation for a water pipe diversion by Thames Water.

In order to do this there will be 2-way traffic lights for single lane closures on alternating sides of the A4010 Risborough Road. This is for safety reasons as our operatives will be working on and around the road.

To reduce impact on road users, these traffic lights will be in operation at off-peak times.

Access will be maintained for all residents along the A4010 Risborough Road.

When will these works take place?

Traffic management will be in place on the A4010 Risborough Road, southern carriageway and footway, from Monday 30 October – Wednesday 1 November.

Traffic management will be in place on the northern carriageway and footway from Monday 6 – Friday 17 November.

These dates may change due to conditions outside of our control. Please refer to the HS2 website regularly to check for any changes and updates.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
