

# Notice of road closure on Adelaide Road

October 2023 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain.

## Road closure

**From 7am to 6pm on Saturday 14 October 2023**, part of Adelaide Road will be closed, as the team will be using a crane to safely remove the generators from the site.

The crane will arrive at the site at 7am to set up and works will start at 8am. The crane will be situated on the highway, to the east of the vehicle entrance of Beaumont Walk on Adelaide Road. Access to Beaumont Walk from Adelaide Road will be maintained.

A clearly signed traffic diversion route will be in place, and the pedestrian walkways will remain open. (Please see map overleaf).

Bus stop P on Adelaide Road will be suspended. The closest alternative bus stop is at Chalk Farm station.

Parking bays outside 43-49 Adelaide Road will be suspended.

The crane will leave when the work is completed.

If for any reason we are unable to carry out these works on the Saturday 14 October, the works will be rescheduled to Saturday 21 October.

We apologise for any inconvenience this work may cause.

## Removal of decaying trees

During the week commencing 9 October, we will remove three decaying trees within the site boundary. These trees are a safety risk to our workforce and need to be removed or reduced in height to a safe level. You may hear handheld equipment during this work.

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>
