

Notice of utilities works to the West of Euston Station including footpath closures

High Speed Two (HS2) is the new high speed railway for Britain. Mace Dragados is the Construction Partner building a new station in Euston.

Recognising the Government's recent announcements on HS2, commitment was reaffirmed to bring HS2 trains to Euston and critical preparatory work continues to prepare for a new future station. Our current activities include essential utilities diversions.

Footpath closure of South Cobourg Street and update on utility works

We wrote to you in August (Reference number: HS2-MW-MD-Ph1-Eu-St-S3-CR-44-31/07/2023) to let you know that we are continuing with our essential utility works in the area.

In October 2023 we began works to construct a new sewer which will enable us to decommission the existing Victorian brick sewer that runs beneath Cardington Street.

From Monday 20th November 2023 until late December 2023, UKPN will retrieve and lay cables in South Cobourg Street.

During the dates mentioned above, south Cobourg Street footpath onto Euston Street **will not be accessible**. The footpath will **reopen during the festive period from 22 December 2023 until 2 January 2024**.

Hoarding realignment on Melton Street

From **Mid-November until late November 2023**, we will realign the current hoarding at the end of Melton Street (adjacent to Euston Road) and replace the existing graphics. During these works there will be no pedestrian access at night from Melton Street to the west of Euston Station. Pedestrians will need to access Melton Street via Euston Station Piazza each night.

Update on relocation of Bus Stops J and K – Hampstead Road

We wrote to you in October 2023 (Reference number: HS2-MW-MD-Ph1-Eu-St-S3-Traf-1-05/10/2023) regarding relocation of Bus Stop J on Hampstead Road. Owing to technical difficulties we were unable to begin the works and relocate Bus Stops J and K. The works will now take place **from Mid-November until early December 2023**.

Please continue to read the rest of this notification for location maps and pedestrian diversion routes.

Duration of works

- **Footpath closure of South Cobourg Street**
– 20th November 2023 until 22 December 2023 and early January 2024 until March 2024
- **Hoarding realignment on Melton Street** -
Mid-November until late November 2023
- **Relocation of Bus Stop J – Hampstead Road** – Mid-November 2023

What to expect

- Temporary worksites where work is taking place
- Noise while breaking out road surfaces
- Traffic management in place
- Footpath closures and diversion of pedestrian access

What we will do

- Provide alternative walking routes
- Aim to reduce noise and vibration as reasonably practicable
- Keep all sites safe and secure

Utility works and footpath closure of South Cobourg Street from Monday 20th November 2023 until late December 2023

To facilitate the utilities works on Cobourg Street - South the footpath onto Euston Street will not be accessible. The footpath **will reopen during the festive period from 22 December 2023 until 2 January 2024**. Traffic marshals will be in the area and close to the work site to assist and direct members of the public. From **early January 2024 until approximately March 2024**, we will out carry our essential London Underground chamber ducting works in the same location, this means the footpath will close again during this time.

Please see below a map and pedestrian diversion route.

Map of work area and pedestrian diversion

We recognise that construction work can be disruptive to those living and working nearby. The nature of our work often means some disturbance is unavoidable but assured that every effort is made to minimise any unnecessary noise. Please note that changes to the programme may occur and if these changes are likely to cause any disturbance, we will write to you again.

What to expect

Works will include:

- Breaking out road surface
- Use of floor saw, vacuum excavator, excavator, hand tools, compressor, generator and dumper
- Traffic management will be in place
- We expect our works to be noisy at times however we will work to minimise disruption wherever possible.
- London Underground access gate relocated adjacent to Drummond Street

Working hours

- 8am to 6pm weekdays (excluding bank holidays). On occasions it may be necessary to work 8am to 6pm Saturday and Sundays
- On occasions it may be necessary to work at night between (9pm to 5am) for activities that can only be carried out when trains are not running and to reduce the impact on the public and commuters at Euston Station;
- We will start-up and close-down activities up to one hour before and up to one hour after normal working hours above

Update on Relocation of Bus Stop J – Hampstead Road from Mid-November 2023

To facilitate utilities work on Hampstead Road, Bus Stop J will be relocated further South on Hampstead Road. We will also be locally relocating Bus Stop K to ensure the stops are not opposite each other. This will aid with traffic flow. **We expect the works to continue until early December 2023.** Once the work is complete, **we will leave the Bus Stops at the new locations.** To facilitate future works **we may need to move the Bus Stops again,** however we will write to you confirming the timing these works.

Map of work area and pedestrian diversion

What to expect

Works will include:

- Night-time lane closures on Hampstead Road
- Temporary cycle lane closures on Hampstead Road
- Temporary traffic lights at the Drummond Street junction
- Night-time closures of exiting Bus stops J and K (approximately 7 days from 13th November 2023). Please plan ahead using the TfL journey planner or check before you travel by visiting TfL updates pages. To find alternative bus stops please visit: www.tfl.gov.uk/maps/bus

Working hours

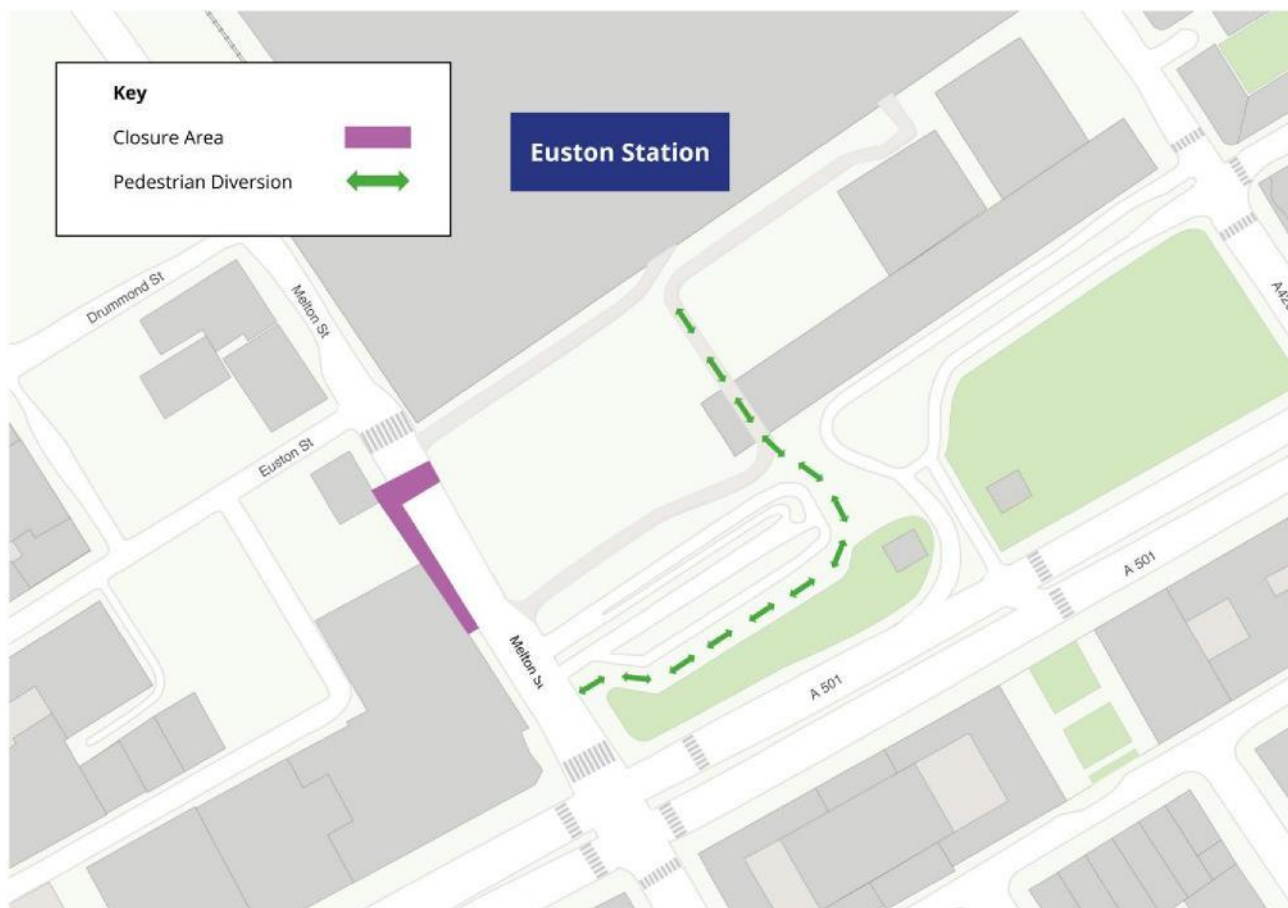

- 10pm – 5am and following traffic management will be in place during this time
- We will start-up and close-down activities up to one hour before and up to one hour after normal working hours above
- Please note that outside of working hours, all bus stops will remain open for the duration of these works and pedestrian access along Hampstead Road will be maintained.

Update on hoarding realignment on Melton Street from Mid-November until late November 2023

To facilitate essential utilities, work within our site, we will realign the current hoarding at the end of Melton Street (adjacent to Euston Road) and replace the existing graphics. **From 9pm until approximately 5am** there will be no pedestrian access at night from Melton Street to the west of Euston Station.

To access the West of Euston Station, pedestrians will be directed to use the pedestrian footpath below onto Euston Station Piazza each night. Traffic marshals will be in the area and close to the work site to assist and direct members of the public.

Outside of the hours above the area below will be opened during the day and the normal walking route will resume.

Map of work area and pedestrian diversion

What to expect

Works will include:

- Traffic management will be in place and kept to a minimum
- We expect our works to be noisy at times however we will work to minimise disruption wherever possible.

Working hours

9pm until 5am to reduce the impact on the public and commuters at Euston Station;

- We will start-up and close-down activities up to one hour before and up to one hour after the hours above
- Normal walking route outside of the hours above will resume daily

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting: www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit:
