Utility surveys in Ampthill Estate – winter 2023

November 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

SCSJV is installing a new UK Power Networks cable route from Lidlington Place to Varndell Street, to replace the current route across the railway and through Ampthill Estate. The current route needs to be removed to make way for the new HS2 railway.

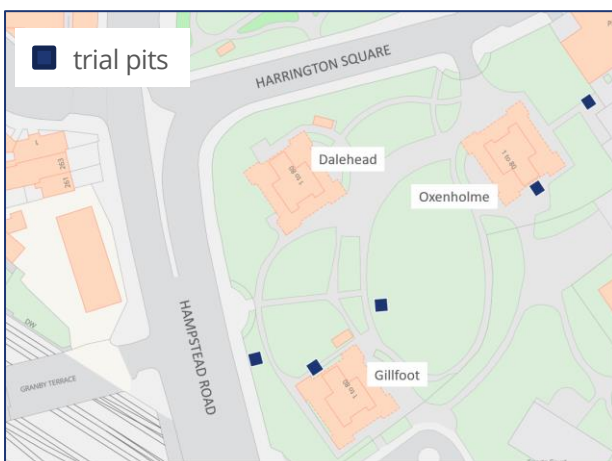

As part of these works, in summer 2024, we will install two new connections from the new cable route on the main road to the substations at the bottom of Gillfoot and Oxenholme. This is to maintain the power supply to the buildings, when the old route through the estate is decommissioned.

Before we can install these connections, we need to survey the cable route between the road and the substations to check the path is clear and confirm the design. These surveys shouldn't affect your utilities.

Trial pits near Gillfoot and Oxenholme – from 20 November to late-December

Starting 20 November, we will dig five trial pits in Ampthill Estate, three near Gillfoot and two near Oxenholme, please see the map for the location.

We will dig one trial pit at a time. We expect it will take us about a week to dig, survey and fill in each pit. We will cut and break out any concrete, before using shovels to hand dig the pits. Please note, there may be periods of increased noise as we break out or replace concreted areas.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk

Duration of works

20 November to late-December

Working hours: Monday to Friday 8am to 6pm

What to expect

Small team of operatives using hand tools to dig trial pits and carry out utility surveys in Ampthill Estate

Pedestrian access through the estate will be maintained

What we will do

Use acoustic blankets to limit noise and dust during concrete breaking

Provide updates at HS2inCamden.co.uk

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting: www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit:

www.hs2.org.uk/in-your-area/contact-us/how-to-complain/
