

UPDATE - Notice of road closure - Coleshill Heath Road – Chelmsley Wood

December 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

UPDATE

We are pleased to inform you that our work on Coleshill Heath Road is progressing as planned and is due to be completed on 20 December. BBV have been approached by Solihull Metropolitan Borough Council (SMBC) who intend to resurface the road. They have asked if they can make use of our road space booking for a night-time full closure on 20, 21 and 22 December between 8pm and 6am only.

The work we will be doing

The new railway will be elevated on an embankment as it passes over Coleshill Heath Road. To ensure that our work does not affect the supply, a number of utilities need to be diverted. In order to do this, we will need to temporarily close this road for 24 days. The road will be closed 24 hours a day, seven days a week from 6am on 27 November 2023 until 6pm on 20 December 2023.

This work was originally scheduled to be undertaken in the summer, however after closing the road our engineers discovered a major gas leak. This meant that our closure was taken over by Cadent Gas to carry out emergency repairs and we were unable to undertake this work during the allocated period.

We understand that this road closure will impact on journey times and that east-west routes across the M6 and M42 are limited. As such we have phased our works to co-inside with the re-opening of the Birmingham Road (B4114). Traffic will be diverted via the Chester Road, Birmingham Road, and Stonebridge Road. Access to Yorkminster Road will be maintained. **See the map overleaf.**

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
