

Notice of overnight closure of M42 Junction 7a link road to M6

November 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area

The work we will be doing

The new railway will travel over the M6 and M42 loop on a series of bridges and viaduct structures. To protect road users from our construction activities we need to install a temporary safety barrier on the loop section of Junction 7a of the M42 that connects the northbound carriageway with the southbound carriageway of the M6. To do this safely we will need to close this section for one night. Traffic will be directed north to Junction 8 of the M42 before returning down the southbound carriageway to exit at Junction 7 as normal. The temporary safety barrier will remain in the hard shoulder to protect the works behind it.

See map overleaf.

When will the work take place?

The 'loop' section will be closed at 9pm on 17 November and will re-open at 5am on 18 November.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

For one night - 9pm on 17 November 2023 and will re-open at 5am on 18 November 2023.

What to expect

Low level noise from our work.

Longer journey times due to diversion.

Our work force maybe on site one hour before and after the closure.

What we will do

Keep you up to date with any changes at www.hs2insolihull.co.uk

Keep all sites safe and secure.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation
