## What we are doing

We wrote to you in December 2021, to let you know that we would be starting utility works at the Victoria Retail Park. The main works have now been completed and we will be starting the next phase of these works shortly.

**From 8 to 28 January 2024**, we will be digging a small trench in the loading bay on the entry to Victoria Retail Park on Victoria Road, Ruislip, in the area shown on the map overleaf. These works will finalise the power connection of the various utility supplies into the HS2 site.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.
