

SM24 footpath closure

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty Vinci (BBV) is working in partnership HS2 Ltd to build the new railway in your area.

As you'll be aware, a section of the A425 Leamington Road near Southam has now re-opened. However, the public right of way SM24 remains closed until end of 2024. This is to allow us to construct the "cut-and-cover" section of the Long Itchington Wood Tunnel. We apologise for any inconvenience this may cause.

The section of the footpath which remains closed is marked orange on this plan. An alternative route is marked in green
