What we are doing

From 8 January to 2 February 2024, we will be carrying out utility works and construction activities to build and finalise the connection sections for the Harvil Road realignment.

The construction activities that need to be completed during the closure include:

- Highway & drainage construction
- Resurfacing, white lining and installation of street furniture
- Earthworks & fencing installation

To carry out the works safely, we will need a road closure from the 8 January to 2 February 2024 between Certas bellmouth and the Dogs Trust for 24 hours a day for the three week period.

Please see the following pages for more information about the works we will be carrying out and a map showing the location of the road closure and the diversion route.

For diversion route and closure video please scan the QR code below.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

How this work might affect you

During the road closure, local access to residential and commercial properties (including the Dogs Trust) will be maintained, however, there will be no through access for emergency services.

A clearly signed diversion will be in place via Moorhall Road / A412 / A40.

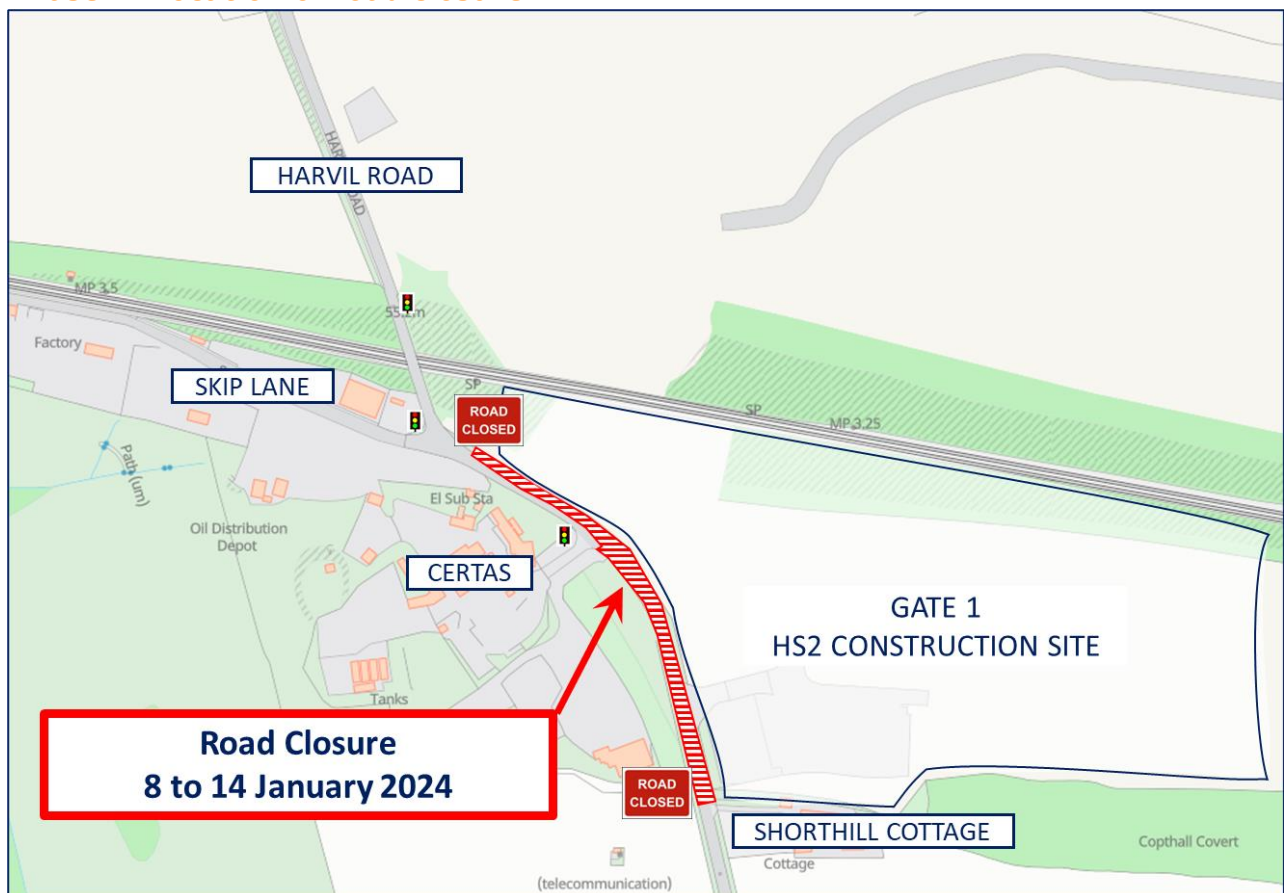

These works will be carried out in two phases:

- **Phase 1 – from 8 to 14 January 2024**
Road closure between Certas bellmouth and Shorthill Cottage
- **Phase 1 – From 15 to 28 January**
Road closure between the Dogs Trust and network bridge north of Skip Lane.

We would like to apologise in advance for any disruption or inconvenience the road closure may cause. Every effort is being taken to ensure that these works are carried out in the least impactful way.

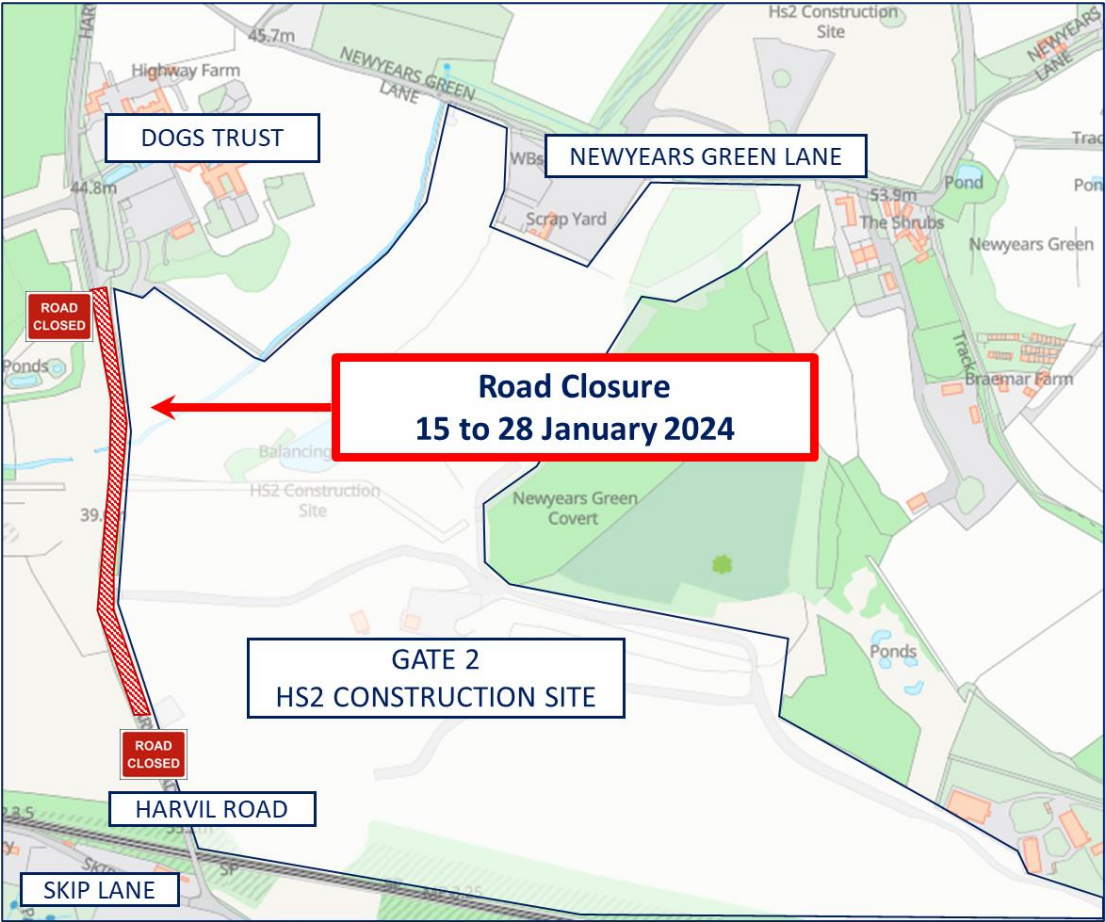

We expect to have completed the realignment of Harvil Road by the end of January.
