

Mandeville Road site - Christmas closure

December 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

You can sign up for regular updates in your local area at

What we are doing

The Mandeville Road Ventilation Shaft site will close for the Christmas period on **24 December 2023** and will reopen on **27 December 2023**. There will be the usual security presence and only maintenance checks will be undertaken during the closure.

From **27 December 2023 onwards**, we will go back to our normal day and night shift working pattern. Work on site during the period between 27 December 2023 and 1 January 2024 inclusive will consist of sprayed concrete lining to the satellite shaft, and reinforced concrete works to the main shaft.

We will install acoustic barriers to reduce the noise impact of these works as we normally would and will be actively monitoring noise levels to identify and resolve any issues.

We would like to apologise in advance for any disruption or inconvenience this may cause. Every effort is being taken to ensure that these works are carried out in the least impactful way. We will ensure that disruption is kept to a minimum.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration of works

The site will be closed from Sunday 24 December until Wednesday 27 December

From 27 December we will go back to 24 hour working

What to expect

You may notice large construction machinery and cranes on site during these works. The cranes will be lowered over the Christmas closure. As well as the operation of temporary ventilation plant and HGVs making deliveries and removing excavated materials. Cranes will be lowered over the Christmas Period 24 to 26 December.

What we will do

Use acoustic barriers around the machinery to help reduce the noise. Restrict certain activities to day time hours

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation
