

## Road closures on Frith Hill, South Heath Leg, Great Missenden, for survey works

December 2023 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. This notice is to update you on temporary road closures on Frith Hill, South Heath Leg in Great Missenden, that we wrote to you about in October. These are to undertake surveying for our tunnelling works.

### How will these works affect you?

Frith Hill, South Leg will be temporarily closed to traffic from 11am to 1pm on the following dates:

- 4 and 10 January 2024
- 15 January to 25 February 2024 except for Saturdays unless required

After the daily monitoring is completed, we will monitor every other day for approximately one week, reverting to monthly monitoring until summer 2024. We cannot specify exact dates as they can change due to the impact of the weather or programme changes. We will do all we can to keep you updated.

### What about residents and pedestrians?

Residential access will be maintained at all times and the footpath will remain open to pedestrians.

### What will we be doing?

A small team of surveying engineers will be visible in the highway whilst taking readings from the monitoring equipment. To do this safely, a small section of Frith Hill will be temporarily closed. Once completed the traffic management will be removed.

Please see the location map of these works on page 2. The diversion will be via Kings Lane and Chesham Road.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**
