

Upcoming sewer lining works on Horsenden Lane South

December 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Sewer lining works in your area

From **8 to 21 January 2024**, we need to carry out sewer lining works on Horsenden Lane South. This is following a ground movement assessment; the lining works are required to reinforce the existing Thames Water sewer.

These works will take place overnight, **9pm to 6am, Monday to Friday** and **on weekends** if required. **We will have traffic diversions in place during these works 24 hours a day, which can be seen on page 2.**

The planned works will involve the use of machinery to lift the liner into the sewer and a compressor to inflate the liner. We will use noise reducing barriers where possible to help minimise any noise disruption to the local community and work as efficiently as possible whilst keeping our work areas safe and tidy. We do not anticipate these works to cause any noise disruption.

Your utility services will not be affected during these works.

How will this affect you

To ensure the safety of the public and our staff, temporary lane closures, parking bay suspensions and diversions will be in place on Horsenden Lane South during these works.

These temporary changes are shown on the following pages.

Speak with our local engagement team

Our local engagement team is happy to arrange a time to speak with you over the phone if you have any questions about the works.

Please contact the HS2 Helpdesk via the contact details below to arrange this.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
