

Notice of road closure – Lavender Hall Lane – Berkswell

December 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing.

The new railway will pass under a new bridge on Lavender Hall Lane and alongside a newly realigned Park Lane before entering a deep cutting. The access to Park Lane from Lavender Hall Lane will be slightly to the south of the existing road. BBV have built a temporary road diversion for Lavender Hall Lane to allow traffic to bypass our worksite for construction of the bridge. We now need to divert a gas main so that our works do not interrupt the supply. Unfortunately, this will necessitate a five-day closure.

There will be a fully signed diversion via Meriden and access for residents within the closure will be maintained. Please note that for safety reasons when Lavender Hall Lane is closed Solihull MBC require us to also close Baulk Lane, again access for residents within the closure will be maintained.

When will the work take place

The road will be closed all day and night from 9:30am on 15 January until 3:30pm 19 January. However, we will reopen the road as early as it is safe to do so.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

The road will be closed all day and night from 9:30am on 15 January until 3:30pm 19 January.

What to expect

Fully signed diversion.

Longer journey time following the diversion - Allow 10 Minutes.

Low level noise from our work.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
