Notice of road closure Fiddlers Field/Snakes Lane, Quainton

December 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

At the start of January 2024, we will be closing Fiddlers Field/Snakes Lane from the Station Road and Quainton Road crossroads up to Fiddlers Field Bridge. This will be a permanent closure of this section of road.

The existing Fiddlers Field road will be permanently closed to allow construction of the new bridges across the HS2 line and Network Rail line. Initial activity will involve site clearance of the highway with earthworks to follow. Piling works to build the foundations of the bridges will commence in Spring 2024. The new road alignment replacing Fiddlers Field Road will open at the end of 2025.

A section of Fiddlers Field/Snakes Lane will be closed with a signed diversion route. This closure is necessary for safety reasons as our teams will be working on and around the carriageway.

When will these works take place?

A section of Fiddlers Field/Snakes Lane will be closed from Tuesday 2 January until Saturday 20 December 2025.

There will be no access for emergency services.

These dates may be subject to change due to circumstances outside of our control, such as weather. Please refer to the HS2 website regularly to check for any changes or updates.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>
