

Traffic Management changes Old Oak Common Lane

High Speed Two (HS2) is the new high speed railway for Britain.

Traffic Management Changes

We want to inform you that there will be traffic management changes on Old Oak Common Lane from December 6 to December 22. The work will occur between our core working hours 8am to 6pm. During this period, the southbound lane and east footway will be closed under 2-way lights due to the works on the new retaining wall. We will be removing sheet piles along the new Crossrail Depot Retaining Wall. We have received consent and approval from TFL for the traffic management changes during the work period.

The purpose of these traffic changes is to create a safe working area to carry out the necessary work to complete structural works on the new reinforced concrete retaining wall at the top north end of Old Oak Common Lane.

Once this work is completed, the single lane closure will be removed.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

6 to 22 December

Working hours: Monday to Friday, 8am to 6pm

What to expect

A single southbound lane and footpath closure.

Traffic delays at peak periods.

This is to allow safe access for works being carried out on the retaining wall.

What we will do

We will have traffic management operatives during the core hours.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
