

# Notice of sewer lining works on Park Royal West

January 2024 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain.

## Park Royal Road West Sewer Lining Works

From **Monday 5 to Monday 26 February 2024**, we will be carrying out works to strengthen and protect the existing sewage structure in preparation to build the HS2 London tunnels.

### These works will take place 24 hours a day.

The works will involve using machinery to lift and insert a new liner into the existing sewer system.

We will use noise reducing barriers where possible, to help minimise any noise disruption to the local community and work as efficiently as possible whilst keeping our work areas safe and tidy. We do not expect these works to cause any major noise disruption.

### Your utility services will not be affected during these works.

## How this might affect you

To ensure the safety of the public and our staff, temporary changes will be in place on the A40 Western Avenue, these include:

- Lane one and two will be closed overnight on the Eastbound Carriageway on 5 February 2024.
- Lane two and three will be closed overnight on Eastbound Carriageway on 10 February and 11 February 2024
- Lane one and two will be closed overnight on the Eastbound Carriageway on 26 February 2024

You can see the temporary traffic management phases on the following pages.

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.
