What we are doing - Vegetation Clearance

From 7am to 5pm on 21 January we will be removing weeds and bushes, the Mandeville Road site (see map below) adjacent to railway.

These works will take about 10 hours and need to be carried out on a Sunday when the railway is less busy. We will use small hand tools, including limited use of strimmers and hedge trimmers. We will also use noise reducing barriers where possible to help keep noise to a minimum. We will work as efficiently as possible, while keeping our work areas safe and tidy.

We would like to apologise for any disruption or inconvenience this may cause. Every effort is being taken to ensure that these works are carried out in the least impactful way.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
