

Notice of utility remediation works near Common Lane, south of King's Bromley

January 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Project update

On 4 October 2023, the Prime Minister announced that the Government proposes to deliver a broad range of transport initiatives in place of investing in Phase Two of HS2. This means that HS2 Ltd is not undertaking any 'new' work to progress plans for Phase 2a of the project and is working with Government to agree the next steps on this phase of the project.

The activity described below is needed either to finish work on an existing site, for the ongoing maintenance of a site, or for health, safety and security reasons.

In 2022 Cadent completed work to move an underground gas pipeline near Common Lane, south of King's Bromley. Cadent will now be carrying out work to add additional protections to the relocated pipe, to ensure a safe and reliable gas supply.

What are we doing?

To enable the condition of the pipeline to be monitored throughout its life, Cadent will be carrying out additional work on land off Common Lane from **12 February 2024**.

The work will involve digging down to connect a cable to the pipeline and relocating a small test post.

Cadent expects to complete the work and reinstate the topsoil by the **end of February 2024**.

Construction vehicles will travel along the A515 and on to Common Lane to reach the working area. They will not be travelling through King's Bromley.

How will this affect you?

A small welfare cabin will be installed on land off Common Lane while the works take place.

People and equipment will be on site, and as the work will be low level we don't expect it to cause any disruption to local people.

All work will take place inside usual working hours. There will be no disruption to your utilities during the work. We will keep people updated as work progresses.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk

Notification

Duration

- 12 to 29 February 2024
- Our working hours will be 8am to 6pm (Mon-Fri) and 8am to 1pm (Saturdays)
- We will be on-site one hour either side of these times for set-up and close-down

What to expect

- Low-level construction activity on land off Common Lane, King's Bromley.
- Vehicles accessing the site from Common Lane
- No construction traffic travelling along Crawley Lane or through King's Bromley

What we will do

- Maintain a safe and secure working environment
- Inform people in advance of any changes

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint via the helpline. For more details on our complaints process, please visit our website: www.hs2.org.uk/how-to-complain

Contact Us

If you have any questions about this notification of works, please get in touch.
