

Notice of road closure update, Main Street, Chetwode

February 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

As part of our continued preparatory works we will need to close a section of Main Street with a local diversion route in place.

This closure is for the temporary diversion of utilities cables while we build a new permanent overbridge that will provide access to Manthorne Farm as well as the permanent realignment of the Preston Bissett Road and Main Street junction. Once the utility works are completed, our teams will then begin construction of the new access track. This will involve resurfacing works and some localised vegetation removal.

We are required to fully close this section of road, 24 hours a day, until they are complete as our teams will be working in open trenches directly in the carriage way. This is for the safety of road users and our staff.

When will these works take place?

A section of Main Street will be fully closed, 24 hours a day, with a signed diversion route on the following dates:

- Monday 5 February to Wednesday 28 February
- Monday 4 March to Saturday 30 March

We will work to reopen the roads as soon as possible. These works are subject to consents and we will update communities as our works progress.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
