

Notice of Road Closure, Truggist Lane – Balsall Common/Berkswell

January 2024 | www.hs2.org.uk

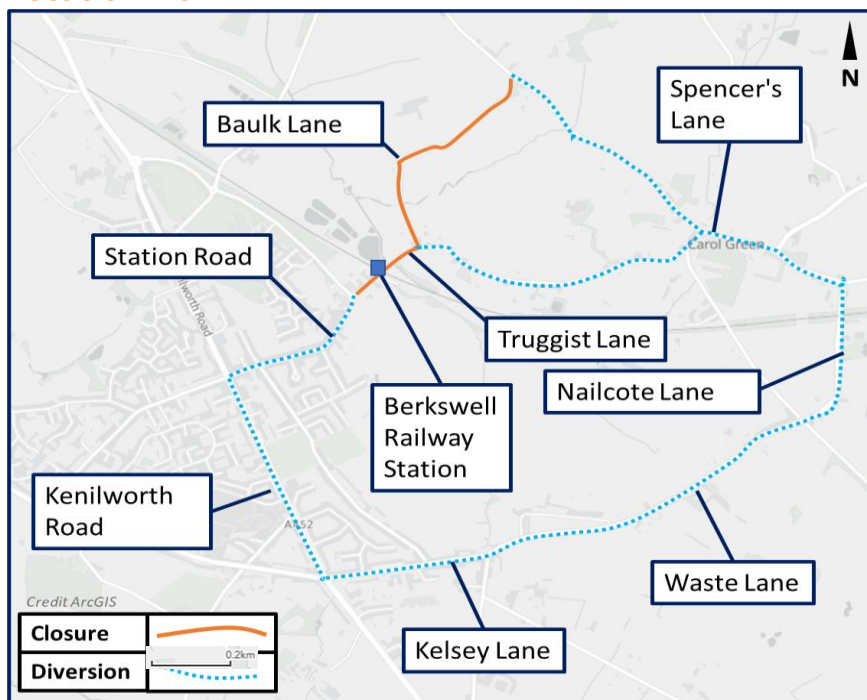

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area

The work we will be doing

The new railway will pass over Truggist Lane and Bayleys Brook on an elevated structure known as a viaduct. Either side of Truggist Lane will be one of the viaducts piers that are supported by piles. To construct the piles a rotary piling machine will excavate the earth, insert reinforcements and fill will with concrete. Four of these piles will need to be constructed from the road and in order to do this safely we will need to close the road 24 hours a day from 26 February 2024 until 23 March 2024. A fully signed diversion will be in place via Kelsey Lane, Waste Lane, and Spencer's Lane. Access to frontages will be maintained.

Please note that it is a requirement that when Truggist Lane is closed Baulk Lane must also be closed.
