

# Notice of works on Carlton Vale and Cambridge Road

February 2024 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain.

In advance of future utility works on Kilburn High Road during summer 2024, we need to carry out some preparation works on Carlton Road and Cambridge Road.

## Works on Carlton Vale

Between **26 February 2024 and 2 March 2024**, we will be carrying out works on Carlton Vale. The planned works on Carlton Vale will include the removal of an island and resurfacing of the road to create a safe diversion route during the main utility works, near the junction of Cambridge Road. These works will take place **between 8am to 6pm Monday to Friday and between 8am to 1pm on Saturdays** if required.

## Tree pruning works on Carlton Vale and Cambridge Road

We will be pruning two trees on 8 March 2024. One on Carlton Vale near Invergarry House and one on Cambridge Road next to St Augustine's Sports Centre.

## How might this affect you

We will have a lane closure on Carlton Vale and partial footpath closure in place during these works. These traffic management plans can be found on page 2.

We will use noise reducing barriers where possible to help minimise any noise disruption to the local community, working as efficiently as possible whilst keeping our work areas safe and tidy.
