

Update: Works in Brunswick Road area

February 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Ongoing works: West Gate Gas Diversion

From 18 March to 10 May, we will be carrying out gas diversion works on the footpath in front of Brentham Allotments and Meadows at both ends of the footpath.

The works will take place between 8am and 6pm.

As works to strengthen and protect the gas mains ahead of future tunnelling works continue, you can view the previous notifications on the HS2 in your area map via the HS2 in Brent and Ealing webpage.

How will this affect you?

The footpath will still be open for access to Brentham Allotments and Meadows. However, we will create a pedestrian diversion for those wishing to use the footpath via the pathways between houses on Brunswick Road. The diversion route will be clearly signposted.

We will trim vegetation and trees along the entire length of footpath to allow access for handheld equipment and a five- tonne excavator.

A temporary compound will be located at Brentham Allotment Gates.

Access to Brentham Allotments and Meadows will be available at all times.

We will use noise reducing barriers where possible to help minimise any noise in the local community, working as efficiently as possible whilst keeping our work areas safe and tidy.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation
