What we are doing – Borehole removal at site entrance

From Monday 11 to Friday 15 March 2024, we will be removing a borehole from the site entrance of our Mandeville Road Ventilation Shaft site. We will need to operate a pump just inside the site entrance for the duration, during core hours only. The location of the pump is indicated by the yellow dash line on the map below.

These works will be undertaken using water jet, powered by the pump. We will use noise reducing barriers to help keep noise to a minimum. We will work as efficiently as possible, while keeping our work areas safe and tidy.

We would like to apologise for any disruption or inconvenience this may cause. Every effort is being taken to ensure that these works are carried out in the least impactful way.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation
