

Notice of works on Banbury Street

February 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Early works for Curzon Street station are being carried out by a joint venture between Mace and Dragados (MDJV).

What are we doing?

As a follow up to the surveys carried out last year in the manhole on Banbury Street, we need to grout some of the internal walls to fill gaps between the brickwork. This will help to prevent moisture from seeping into the gaps between the brickwork.

These works will be carried out at the south end of Banbury Street, near the Birmingham Proof House entrance.

We need to reduce the road on Banbury Street to a single lane around the manhole works area. This is to provide a safe working zone for our workforce. We will always maintain access to the Birmingham Proof House for small vehicles and pedestrians. We will maintain full access to all the businesses on Banbury Street with some traffic management in place around the manhole working area. This will include stop-and-go boards at the junction of Banbury Street and Andover Street.

When will these works take place?

Friday 16 February 2024

What to expect?

- Advanced roadside notice
- Single lane restriction on Banbury Street near the Birmingham Proof House
- Stop / Go boards on Banbury Street, south

Safe working area

Single lane restriction

We recognise that construction work can be disruptive to those living or working nearby. The nature of our work often means some disturbance is unavoidable, but every effort is made to minimise any unnecessary disturbance. We will closely monitor all noise, vibration, and dust levels to ensure we do not exceed our agreed limits.

Updates will be sent to you regularly outlining the next stages of works in the area including any alterations to the programme. Please note that changes to the programme may occur, and if these changes are likely to cause any disturbance, we will write to you again.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
