

# Notification of upcoming works along section of B4118 Birmingham Road

February 2024 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty Vinci (BBV) is working on behalf of HS2 Ltd to build the new high speed railway in your area.

## What is a plant crossing and why the need

We need to create a controlled crossing on B4118 Birmingham Road, Water Orton for our haul road. Haul roads are temporary roads provided within a working area to allow for the movement of construction materials, construction machinery and/or construction staff around work sites.

Haul roads are Balfour Beatty Vinci's preferred logistical transport link as they reduce the number of vehicles interfering with the existing road network and provide the most effective, efficient and safe possible control over essential operational works.

## When will works begin along this section of the road and for how long

To create this controlled crossing, we will be installing two-way traffic lights along section of the B4118 Birmingham Road, Water Orton, as shown on the location plan overleaf. These temporary traffic lights will be in place from Monday, 4 March 2024, 24 hours a day, 7 days a week for up to two years. Access will be maintained for all properties and Emergency vehicles.

The traffic lights will be set to green and will only turn red when site vehicles need to cross the road. We will do everything practically possible to reduce any potential disruption. Please note that the operational works are subject to weather conditions.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

## The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at [www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: [residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: [complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)
