

Temporary traffic lights on B485 Chesham Road, Buckinghamshire

February 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. This notification is to inform you of works requiring temporary traffic lights on Chesham Road, B485, near Hyde End, Buckinghamshire.

What are we doing?

We previously wrote to you last October informing you of the planned electrical connection works at our Chesham Road site. This will provide power to the HS2 railway in the Chiltern tunnel when it becomes operational. Due to the adverse weather conditions these works were not completed which meant the contractor UK Power Networks (UKPN) had to stop works.

How will this affect you?

The works have now been rescheduled. There will be a single lane closure and two-way traffic lights will be in place 24/7 on Chesham Road, B485, near the junction with Hyde Lane:

- From the morning of Monday 19 to evening of Sunday 25 February 2024
- UKPN will endeavour to complete the works and remove the traffic management earlier if possible.

For safety reasons the traffic management will remain in place throughout this time, including outside working hours, as the connection is deep underground. Traffic management will operate and control traffic flows to ensure that operatives can work safely in the carriageway.

Approvals for this closure

UK Power Networks have obtained consent from the local authority, Buckinghamshire Council, to carry out these works. A permit has been granted. Additional information for residents living close to the works will be provided by UK Power Networks closer to the date of works.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

Two-way temporary traffic lights from Monday 19 to Sunday 25 February 2024

What to expect

Single lane closure to be managed by traffic signals during days and nights

Operatives visible and working in the area

Additional communications from UK Power Networks to follow

What we will do

Liaise with the responsible contractor, UKPN, to ensure any impacts on residents are kept to a minimum and the roads are reopened as soon as possible

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation
