

Extended working hours near Coniston and Cartmel

February 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Extended working hours near Coniston and Cartmel 24 February 2024

We are currently working to construct a large retaining wall in front of Regent's Park estate. This wall, which extends from Granby Terrace to Hampstead Road, will form the side of the new HS2 railway cutting.

As part of this work, we will need to complete a large concrete pour.

Weather permitting, we plan to complete this pour on Tuesday 22 February. As these works are weather-dependent, we will consider other days this week if necessary. If we are unable to complete the pour that week, we will reschedule it for a later date.

Once we begin pouring concrete for a slab, we must continue until it is finished. We will be onsite from 7am to prepare our working area with works beginning at 8am. We plan to finish by 6pm, however if there are delays, we may finish later than this.

We will have approximately 80 wagons delivering concrete to our site. To reduce the impact of this, concrete wagons will access the worksite through our site gate on Hampstead Road.

You may notice periods of noise from the concrete pour and additional lorries throughout the day.

We are sorry for any disruption this work might cause.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or emailHS2enquiries@hs2.org.uk
