Your application

Q: Do you only accept applications for open vacancies via the HS2 recruitment website?

Yes, we can only accept applications to open vacancies via our recruitment portal. This is so we have a consistent and fair process for everyone.

Q: I am not a British or Irish national. Can I still apply?

As HS2 Ltd do not hold a sponsorship license from the Home Office, we are not able to provide sponsorship to any applicant. Applicants must already have the Right to Work in the UK at the time of application and our process involves a Right to Work validation prior to the interview stage. Note, there are certain types of time-bound visas that we cannot accept.

Q: Is the closing date flexible?

To be fair, consistent and transparent to all applicants, unfortunately we are not in a position to accept applications beyond the closing date.

Q: How do I know that you've received my application?

You'll get an email confirming receipt as soon as you submit your online application.

If you don't receive this confirmation, please check your junk mail. If you still can't find it, let us know by emailing hs2jobs@hs2.org.uk.

Q: If I apply and I'm not selected, will my details be held and considered for other roles?

During the recruitment process, your application will be visible to all company recruiters and relevant HR personnel and may be considered for a few future roles with us. For more information about how we manage your personal data please read our [personal information charter](#)

Q: Do I have to complete your diversity monitoring form?

Completing the form helps us to check that our recruitment campaigns attract a diverse pool of candidates and to create a consistent process that's fair to everyone.

If you're uncomfortable about filling in the form, you can select the 'prefer not to complete' option for each section.

The information you provide in the diversity monitoring form is kept separately - it's not treated as part of your application. It's confidential and is only used for statistical purposes.

Your interview

Q: I can't attend my interview on the date given. Can I request a different date?

We can't always provide alternative interview dates because of time constraints, but we'll be as flexible as possible.

Q: How do I request a reasonable adjustment?

At HS2 we ask you in your application whether you need adjustments during the recruitment process. What you share with us is kept as confidential as possible and only shared with those involved in interviewing you and only on a need-to-know basis. HS2 is committed to ensuring every applicant can demonstrate their skills and abilities at their best.

Q: Can you cover my interview travel expenses?

We don't reimburse travel expenses.

Q: How soon after the interview will I know the outcome?

Our general approach is to offer the role to the preferred candidate and to feedback to any unsuccessful candidates at the earliest opportunity. This can vary depending on the panel, how many days the interviews are spread over, and how many candidates are seen.

If you haven't heard from us, please contact hs2jobs@hs2.org.uk.

Q: At what stage are reference checks taken?

If you are successful and we offer you a role with HS2, then we will go through a few background, security and verification checks before you start. The offer is conditional on passing these checks.

These include previous employment verification, education verification, finance checks and a basic check of unspent criminal convictions.

Some roles may require more in-depth background checking, but we will discuss this with you during the application process if this is the case.

Q: Can I get feedback on my application?

Due to the high number of applications, we receive we are unable to give specific feedback to people who don't reach interview stage; but please visit the [application help page](#) for hints and tips to optimise your chances.

After interview we would be happy to provide you with written feedback at your request to help you understand what you did well and what you can improve.
