

Notice of lane closure, A418

February 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

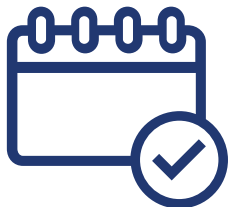

To enable the next phase of construction of the A418, we will be carrying out necessary general maintenance and inspections of drainage conditions on two sections of the A418.

To carry out these works safely, one of the lane closures will be under a 3-way temporary traffic light system. This is for safety reasons as our operatives will be working in and around the carriage way.

To reduce impact on road users, these traffic lights will be in operation at off-peak times.

Access will be maintained for all residents along the A418.

When will these works take place?

- **Thursday 7 March – Friday 8 March between 9:30am – 3pm**

These dates may change due to conditions outside of our control but we will endeavour to complete them in or around the dates suggested above.

Please refer to the HS2 website regularly to check for any changes and updates.

Access will be maintained for residents and emergency services.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
