

Notice of traffic management on East Way - Bickenhill

January 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing

The new railway will pass under the A45 as it approaches the new interchange station. This requires significant work to the road and its adjoining slip road known as 'East Way'. Before these works can take place, a number of utilities need to be moved and diverted to make sure that our works do not have an impact on the supply.

Between the 20 February and 30 June, the team will be working on the drainage that is in part of the footpath. To ensure pedestrians still have a safe route, we will narrow the carriageway and divert the footpath on to the road behind a safety barrier.

From the 25 February until 12 April the team will need to work in the carriageway in order to divert an electricity cable. To avoid diverting traffic, we will place three-way lights on the East Way, these lights will only be operational during our working hours of 8am until 3:30pm.

Location Plan

Please see maps overleaf

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

The footpath will be diverted all day everyday between 20 February until 30 June.

The three-way lights will be operational Monday to Friday, 8am until 3:30pm from 26 February until 12 April.

What to expect

Low level of noise from our work.

Short wait at traffic lights.

What we will do

Keep you up to date with any changes at www.hs2insolihull.co.uk

Keep all sites safe and secure.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation
