

Notice of footpath closure

Waddesdon Greenway

February 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

From March, our continuing works on the HS2 line will focus on the area around the Waddesdon Greenway crossing, which intersects with the new railway route.

Next to the Waddesdon Greenway crossing with the HS2 worksite, we have identified an area of historical contamination. As a result, we must carry out remediation works at the affected area. Due to the proximity with the Waddesdon Greenway, we must close the crossing to ensure our teams can work in a safe working zone and to ensure the safety of the public.

The Greenway crossing will remain open to the public during daytime hours but will close overnight for four nights to allow this work to take place. There will be no access across the HS2 worksite via the Waddesdon Greenway during this time. These works have been coordinated to occur overnight to ensure minimum disruption to the public.

When will these works take place?

- **Monday 11 March to Thursday 14 March – Footpath closure overnight from 8pm to 5am**

These dates may change due to conditions outside of our control. Please refer to the HS2 website regularly to check for any changes and updates.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Where will these works take place?

The map below shows the section of the Waddesdon Greenway crossing in red that will be closed between the hours of 8pm and 5am from Monday 11 to Thursday 14 March.

Due to the location of the crossing point, we are unfortunately unable to provide an alternative route overnight from Monday 11 to Thursday 14 March. We will however endeavour to work quickly to reopen the Waddesdon Greenway to the public as soon as possible.
