

Utilities Works, Traffic Management Changes and Tree Removal on Old Oak Common Lane

High Speed Two (HS2) is the new high speed railway for Britain.

Utilities Works North of Kildun Court

From 16 February to 24 March, there will be traffic management changes on Old Oak Common Lane. Essential utility works need to be conducted as part of the next phase of construction.

We will be using non-invasive techniques to create trial holes to assess the structure of existing underground pipework. These works are part of our programme to safely assess utilities on Old Oak Common Lane (see map on the next page for locations).

This activity will involve carrying out trial hole investigations close to Kildun Court for approximately five weeks during our core working hours between 8am to 6pm on Mondays to Fridays. During this time there will be a northbound lane closure on Old Oak Common Lane with two-way traffic lights and a designated temporary pedestrian crossing. These dates are subject to change, and we will keep the local community informed.

Tree removal North of Kildun Court

Around 26 February we will be removing a tree close to Kildun Court to allow us to safely carry out these vital utility works. Unfortunately, the tree is too close to the underground utility structures and will therefore need to be removed, so that the work can be carried out safely.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
