

# Notice of remedial works, gas pipeline diversion at Pipe Ridware

7 May 2024 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain.

## Project update

On 4 October 2023, the Prime Minister announced that the Government proposes to deliver a broad range of transport initiatives in place of investing in Phase Two of HS2. This means that HS2 Ltd is not undertaking any 'new' work to progress plans for Phase 2a of the project and is working with Government to agree the next steps on this phase of the project.

The activity described below is needed either to finish work on an existing site, for the ongoing maintenance of a site, or for health, safety and security reasons.

## What we are doing

We're relocating two gas pipeline test posts in fields near Pipe Wood Lane. This is so National Gas can access the pipeline in the future for testing, maintenance and monitoring purposes. The relocation is essential for the recently diverted pipeline undertaken at this location due to HS2 works. They'll excavate two 20-30 metre trenches to the fence line, lay cables and relocate the test posts.

## When the work will take place

Our contractor, United Living, will start the work on 7 May 2024. We expect the work to take 4-5 days.

## What to expect

There may be some low-level noise, but we don't expect any disruption to residents.

None of the work will affect gas supplies.

Please see map on page 3 for location details.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

## Duration of works

From 7 May 2024. Four to five days' work, 8am to 4pm.

## What to expect

One to three workers, a van, mini digger on a trailer and a quad bike to carry materials.

## What we will do

Dig a small trench in two HS2-owned fields back to the fence line to install cable ducting and relocate two gas pipeline test posts.

Inform you in advance of any changes to the dates and working times shown.

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

## The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at [www.gov.uk/government/collections/hs2-ltd-residents-commissioner](https://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: [residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: [complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)
