Works in Euston Approaches

March 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

24-hour works (day and night) over Easter weekend – 29 March to 2 April

For safety, we can only carry out works next to the railway when the tracks are not in use. We will work 24 hours – day and night – over the long weekend, to complete works next to the tracks before they reopen. We plan our construction activities to avoid working over the holidays wherever possible but need to make the most of this opportunity to work next to the tracks.

24-hour works at Granby Terrace bridge

We are currently building a wall at track-level between the Network Rail and future HS2 tracks. This wall will also act as one of the supports for the new section of Granby Terrace bridge. We plan to start building the extension for Granby Terrace bridge in May.

We have been building the foundations and supporting walls for the extension of the bridge. Over the Easter weekend we will start building the false deck, a temporary structure which will support the existing bridge during the bridge deck construction. We will also reduce the existing surface of the bridge to prepare for resurfacing. We will aim to do this during the day, however we may need to work overnight.

We will carry out all other noisy works during the day, and quieter works at night. We will use acoustic blankets to limit noise and will monitor noise levels closely to ensure we are working within the approved limits.

Track-level surveys and monitoring

We will carry out track-level surveys and monitoring within the railway cutting. We do not expect these works to be noisy.

For safety, due to the proximity of the works to the tracks, these works can only be carried out overnight during the weekend when the tracks are not in use.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk

Duration of works

Easter weekend works

Working hours: 8am
Friday 29 March to 7am
Tuesday 2 April

Utility works on Stanhope Street and Park Village East

8 April to 28 June 2024

Working hours: Monday
to Friday 8am to 6pm

What to expect

Periods of increased noise during works at Granby Terrace bridge

Southbound lane and footpath closure on Park Village East and Stanhope Street

What we will do

Measures in place to limit the impact of noise

Monitor noise and vibration levels

Provide updates at HS2inCamden.co.uk

Utility works on Stanhope Street and Park Village East – 8 April to 28 June 2024

We are currently installing a new cable route from Lidlington Place to Varndell Street via Granby Terrace. On 8 April, we will begin installing ducts in the road and footpath outside our site access gate at the junction of Stanhope Street and Park Village East.

To complete this work, we need to close the southbound lane and footpath. We will install a 2-way set of temporary traffic lights to control the flow of traffic with crossing points at either end of the work site to divert pedestrians to the opposite footpath. Please see the map below for the approximate extent of the closure.

We will suspend several parking bays on Stanhope Street to carry out this work. However, all parking bays will remain open outside Cubitt Court. We apologise for any inconvenience these works may cause.

Where to find us for a chat – April

On 8 April between 10am to 11am we will be outside Cubitt Court (at the corner of Stanhope Street and Park Village East) if you would like to come and talk to us about our works.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting: www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit:
