

Notice of lane closures, A41

March 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

From early April, we will be continuing preparatory works ahead of our upcoming realignment of the A41. These works relate to utility connections and construction of a new splitter island around the points at which the new road will join the existing A41.

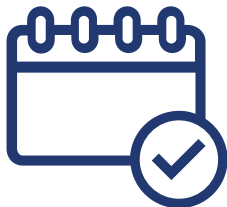

We will be carrying out de-vegetation and trial hole works to locate underground utilities. These works will involve lane closures in two locations, as the junctions with Blackgrove road and Waddesdon Hill and at near the Fleet Marston temporary roundabout.

There will be a third lane closure on the A41 of the north side of the temporary roundabout at Fleet Marston. This will be to facilitate work on the new splitter island at the northern spur on the roundabout, an important part of the realignment works for the A41.

During this period, there will be traffic lights in three locations along the A41. These works closures will run consecutively and will not happen at the same time.

To reduce impact on road users, the traffic lights will be in operation at off-peak hours and access will be maintained for residents along the A41.

When will these works take place?

- Thursday 4 to Friday 5 April, 4-way traffic lights from 9am-3pm
- Saturday 6 to Sunday 7 April, 3-way traffic lights from 9am-3pm
- Monday 8 to Friday 12 April, 2-way traffic lights 9am-3pm

These dates may change due to conditions outside of our control. Please refer to the HS2 website regularly to check for any changes and updates.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
