

Notice of overnight road closure on Coleshill Heath Road – Chelmsley Wood

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing.

The new railway will pass over Colehill Heath Road on a bridge before launching on to viaduct over the M6. We are ready to start building the abutments to this bridge structure and in order to do so a new access (bell mouth) is required off Coleshill Heath Road. To complete this work safely we will need to close the road. To minimise the disturbance, we will only close the road at night between 8pm and 6am. This work will start on 18 March and finish on the morning of the 29 March. A full diversion route will be in place. **See map below.**
