

# Notice of temporary traffic lights on A45 East Way - Bickenhill

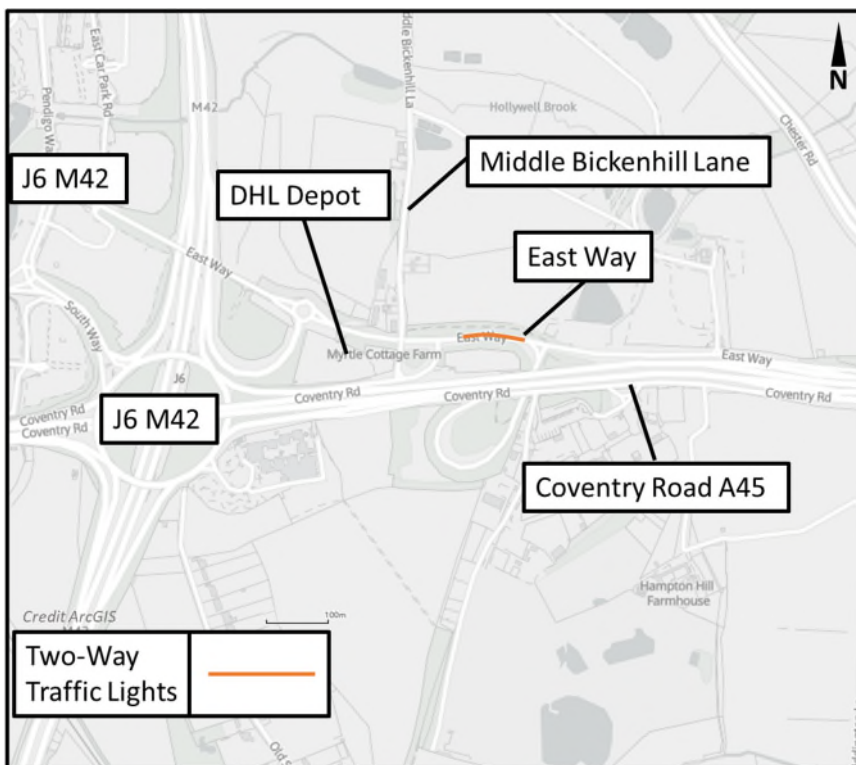

March 2024 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area

## The work we are doing

The new railway will pass under the A45 as it approaches the new interchange station. This requires significant work to the road and its adjoining slip road known as 'East Way'. Before these works can take place, a number of utilities need to be moved and diverted to make sure that our works do not have an impact on the supply. To do this safely we will need to install two-way temporary traffic lights between 15 April until 29 April. The lights will only be operational between 9:30am and 3:30 pm Monday to Friday.

## Location Plan

## Duration of works

Temporary traffic lights in operation between 15 April until 29 April. The lights will only be operational between 9:30am and 3:30 pm Monday to Friday.

## What to expect

Slightly longer journey times.

A fully signed diversion.
