

HS2

Notice of UKPN Construction Works at Willesden Euroterminal

High Speed Two (HS2) is the new high speed railway for Britain.

What are we doing?

The electricity cable ducts have now been installed and we will be returning to open excavations at intervals along the route. These open excavations will allow us to continue with the cable installation works we earlier informed you off.

From **30 March 2024 to 20 May 2024**, UK Power Networks (UKPN) will be carrying out electricity cable installation works across four worksites.

Whilst we may not be working in every area at the same time, the excavations will need to remain open for the duration of our work. The area will then be backfilled and restored once the works have been completed.

The area we will be working are highlighted in the map on the following page.

How will this impact you?

UKPN will be working within the Willesden Euroterminal site, Atlas Road substation and Network Rail land in the area highlighted on the map on page 2.

You will not be able to see our works but may be able to hear occasional excavation and backfilling noises if you are close to the site.

There will be no impact to your electricity supply.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration

Works will be from the 30 March to 20 May 2024.

Our core working hours are 8:00am to 6:00pm.

We will be on site one hour before and after the end of each shift.

What to expect

If you are near the areas highlighted on the map below, you may hear excavation and backfilling noises. Access in and around the site will not be affected.

What we will do

Maintain and install electricity supplies.

We will complete the work as quickly as possible to avoid disruption and provide you access throughout.

We'll keep you informed of any changes.

The red boxes show the areas where the cable jointing will take place

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit:
