

UPDATE - Notice of weekend closure of A452 Kenilworth Road – Meriden

April 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

UPDATE –

We previously contacted you to advise that the A452 Kenilworth Road would be closed from the Park Lane Roundabout to the Meriden Road Roundabout from 6am on 20 April and until at 8pm on 21 April. After reviewing our programme of work, we are pleased to advise that we are now able to keep more of the road open than we initially planned. Please see the maps on page three.

The work we will be doing

The new railway will pass under a newly realigned Kenilworth Road between the Meriden Road Roundabout and the Aston Martin Roundabout. There are a number of utilities that cross beneath the road in this location that need to be carefully diverted so that our works do not impact on the supply to residents and business.

You may already be aware that we have been working in the verges under lane closures. We now need to work in the central reservation and create a crossing point from one side of the carriageway to the other. Regrettably this can only be done under a full road closure, or a partial road closure

To minimise the disruption, the team intend to do this work over a two-day period during a weekend only. To further minimise future disruption, we intend to use this closure to carry out other maintenance including a deep clean of the carriageway, uncovering the curb lines and clearing the drainage channels of detritus.

Access to resident and business will be maintained throughout including to the truck stop and garden centre via an escort system. Please observe the directional signage .

When will this work take place

The traffic management will start at 6am on 20 April and fully reopen at 8pm on 21 April.

Duration of works

The traffic management will start at 6am on 20 April and fully reopen at 8pm on 21 April.

What to expect

Low level noise from our work.

A fully signed diversion.

What we will do

Keep you up-to-date with any changes at www.hs2insolihull.co.uk

Keep all sites safe and secure.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation
