

Overnight utility works at Hanger Lane Gyratory

April 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Night time utility works

From 28 to 30 April, we will be carrying out trial holes on a gas main on the footpath on Hanger lane Gyratory.

The works will take place between 10pm and 5am.

How will this affect you?

Two lanes will be closed during our working hours from 10pm to 5am. This is to create a safe working area for our operatives.

The footpath will still be open for access to Hanger Lane Station.

We will use an excavator with breaker attachment to break out the concrete, and an excavation vacuum to remove waste material.

We will use noise reducing barriers where possible to help minimise any noise in the local community, working as efficiently as possible whilst keeping our work areas safe and tidy.

Speak with our local engagement team

Our local engagement team is happy to arrange a time to speak with you by phone if you have any questions.

Please contact the HS2 Helpdesk using the contact details below to arrange this.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation
