

# Notice of lane closure, A41

April 2024 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain, if you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at [www.hs2inyourarea.co.uk](http://www.hs2inyourarea.co.uk).

## What are we doing?

In preparation for our A41 realignment works, we will be undertaking utility works to allow BT to connect communication cables between two chambers on the A41, near Waddesdon.

As we are working around the carriageway, these works will necessitate a lane closure with traffic management. There will be 4-way traffic lights along the A41 and at the junctions of Blackgrove Road and Waddesdon Hill.

To reduce impact on road users, the traffic lights will be in operation at off-peak hours and access will be maintained for residents along the A41.

## When will these works take place?

- **Thursday 9 May 9am – 3pm**

Every effort will be made to complete these works within one daytime closure.

However, we have planned contingency dates if the works are not completed on 9 May for the following date:

- **Friday 10 May 9am – 3pm**

These dates are subject to change due to ground conditions but will be completed in or around the anticipated time schedules.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

## Are there any more works on the A41?

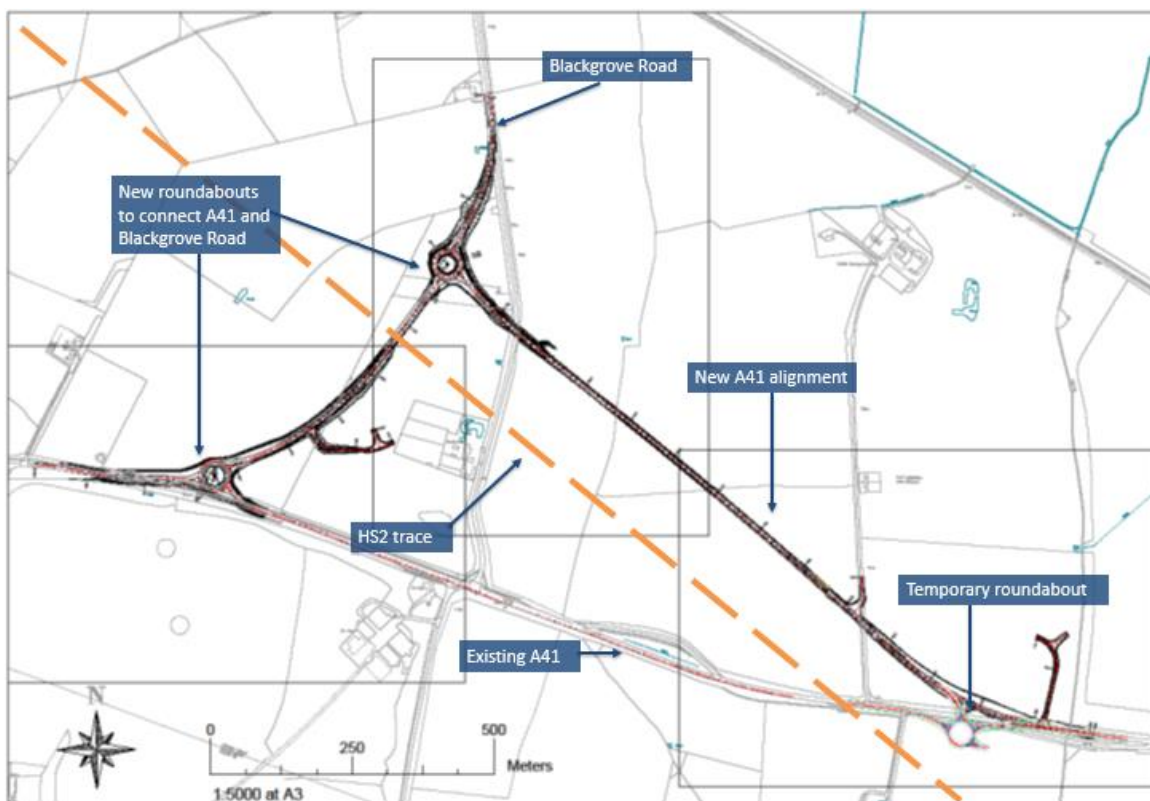

Yes, one of our main sections of work in Aylesbury in re-aligning the A41 to allow for the HS2 trace to run alongside the road. From now until Summer 2024, we will have a programme of works which will provide a phased approach to opening the new alignment to the public. This will include closures on Blackgrove Road and the A41 at separate times. We will communicate this out to the public in due course.

## What will the A41 re-alignment look like?

The map shown illustrates the proposed new alignment of the A41.

The new road will sweep to the east of the existing road and connect to Blackgrove Road with a new roundabout. There will be a section of Blackgrove road that will be a bridge which will carry traffic over the HS2 rail line. The existing A41 will be narrowed and used for local access only.

When the new alignment is completed, the temporary roundabout that was installed by the compound will be removed.

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

## Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

[www.gov.uk/government/publications/hs2-residents-charter](http://www.gov.uk/government/publications/hs2-residents-charter)

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: [www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

You can contact the Commissioner at: [residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
