

Notice of Traffic Management, Steeple Claydon Road, Twyford Road, West Street and Gawcott Road

April 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

In mid-May there will be 4-way traffic lights at the crossroads of Steeple Claydon Road, Twyford Road, West Street and Gawcott Road. This work will involve ditch clearance on West Street and surveys to the existing drainage.

To carry out these surveys safely and effectively, there will be traffic management in the form of a lane closure with 4-way traffic lights which will change to 2-way traffic lights mid-week. This is for reasons of safety, as operatives will be working on and around parts of the carriageway.

These surveys were due to take place within the previous traffic management from 5 February until 5 May however due to specialist engineering works having to take place on the gas main the survey works had to be delayed.

When will these works take place?

The westbound carriageway of West Street will be closed from Monday 13 May until Friday 17 May 2024 between the hours of 9:00am-3:00pm and will be controlled by 4-way traffic management.

These dates may be subject to change due to circumstances outside of our control, such as weather. Please refer to the HS2 website regularly to check for any changes or updates.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

A section of West Street will be under traffic management from;

Monday 13 May until Friday 17 May 2024 between 9:00am and 3:00pm to avoid peak travel times;

- 4-way traffic lights at the crossroads of Steeple Claydon Road, Twyford Road, West Street and Gawcott Road.

Works will be carried out between 9:00am and 3:00pm however some additional evening or weekend working may be required when necessary.

What to expect

Lane closure on West Street managed by 4-way traffic lights.

Varied activities with both quiet and busier periods.

What we will do

Manage any environmental impacts, such as traffic and noise.

Respond promptly to any complaints and take appropriate action.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
