

Notice of lane closures, A418

April 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

In May, as part of our preparatory works for the realignment of the A418 we will be carrying out survey works in the areas where the new piece of road will join the existing A418.

From Saturday 11 May until 5.30am on Monday 13 May, there will be alternating lane closures overnight in two sections of the A418. We will be carrying out dynamic tests on the road surfaces. These survey works are essential to assess the structure and durability of the road surfaces.

Traffic management will also be required throughout May for delivery of materials between our sites.

For these works, there will be traffic lights along the A418.

Access will be maintained for residents.

When will these works take place?

- **Tuesday 7 May to Friday 24 May – plant crossing managed by traffic lights, 8:00am – 5:00pm**
- **Saturday 11 May to Sunday 12 May – alternating lane closure managed by 3-way traffic lights, 8:30pm – 5:30am**
- **Sunday 12 May to Monday 13 May – alternating lane closures managed by 3-way traffic lights 8:30pm – 5:30am**

These dates may change due to conditions outside of our control. Please refer to the HS2 website regularly to check for any changes and updates.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
