

Notice of overnight closure of the westbound carriageway of the M42/M6 Link Road

May 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be doing

To continue our works in the area, we will be closing the westbound carriageway of the M42/M6 link road. The closure is to facilitate crane access to the central reservation to complete construction activities associated with the permanent bridge bearings.

When we will do the work

To ensure the safety of the road users and our workforce, we will install an overnight closure of the westbound carriageway of the link road from 9pm on 23 May, re-opening at 5am on 24 May.

Where we will be working

See map below detailing the westbound carriageway closure and the approved diversion route.

The diversion route will be to continue on M42 southbound from junction 8 to junction 6. At M42 junction 6 exit the M42 southbound onto the roundabout and take the M42 slip road to go northbound.

If you have a question about HS2 or our works, please contact our HS2 Helpline team on 08081 434 434
