What we are doing

We wrote to you on 8 May 2024, to let you know that from 13 May 2024 we would be removing the pipework along the railway embankment from our site in South Ruislip to Yeading Brook. Due to delays in finalising permissions for the works, they will now start from 23 May 2024.

From **23 May to 26 July**, we will be removing the pipework as below:
Section one: **23 May to 13 June** - South Ruislip Vent Shaft (SRVS) to the bridge on Bridgwater Road.

Section two: **14 June to 26 July** - Bridgwater Road to Yeading Brook. Access for materials and plant for this phase will be through the Bridgwater Road fields.

See page two for maps showing the works.

What to expect

During these works, we will be using an excavator, a dumper and small hand tools. We'll use a transit van to transport people to the works location.

We would like to apologise for any disruption or inconvenience this may cause. Every effort is being taken to ensure that these works are carried out in the least impactful way.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>
