May 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain, if you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

In May, we will be undertaking works on Blackgrove Road in preparation for the A41 realignment.

The first set of works will require constructing the new section of road offline up to the existing road edge on Blackgrove Road. As we will be working in and around the carriageway, there will be a lane closure in place with traffic management.

Following the lane closure, there will be a full road closure of a section of Blackgrove Road as we begin to construct the tie-in point to the new northern roundabout and new section of the A41. A diversion route will be in place for the duration of the closure. Access for residents along the A41 will be maintained.

When will these works take place?

- **Monday 13 May - Friday 17 May 2024 (daytime lane closure 8:30am – 5:30pm)**
- **Friday 17 May to Wednesday 29 May 2024 (24-hour road closure)** *This road closure was originally due to be lifted after Friday 24 May and was extended to Tuesday 28 May due to poor weather. It has now been extended by a further day.
Blackgrove Road and the first phase of the A41 realignment will now reopen from 05:30am on Wednesday 29 May.

Please note, these dates may be subject to change due to circumstances outside of our control but will be completed on or around the timings specified.
