

Notice of works on Bromford Drive, Birmingham

May 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. HS2's contractor Balfour Beatty VINCI (BBV) is constructing 90km of HS2 between Long Itchington in Warwickshire to the centre of Birmingham and on to Staffordshire.

What we will be doing

As we continue our preparation for the construction of the Bromford Tunnel which will be passing near you, we will be carrying out preparatory and site investigation works, which will include drilling. This is to give us an understanding of ground conditions and to help us better plan our upcoming works.

When our works are taking place

To complete the survey work, we will be working from **Monday 20 May for 5 weeks**, from 8am to 6pm.

Our workforce may be on site up to an hour before and after to set up and secure our equipment.

How you will be impacted

Between **Monday 20 May to Friday 24 May 2024, as well as Monday 24 June to Friday 28 June 2024**, temporary traffic lights will be installed on a section of Bromford Drive, shown on map one on the following page, to enable mobilisation, and demobilisation of equipment.

Additionally, we will need to close some sections of the footpath near Bromford Drive, shown on map 2 overleaf. We will install closures from **Monday 20 May for five weeks**. Closures will remain in place throughout the period of works, to ensure the safety of the public. In addition to the closure, we will be installing two small cabins for our staff.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation
