

Notice of temporary Traffic lights on Lichfield Road, Kings Bromley.

June 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Project update

On 4 October 2023, the Prime Minister announced that the Government proposes to deliver a broad range of transport initiatives in place of investing in Phase Two of HS2. This means that HS2 Ltd is not undertaking any 'new' work to progress plans for Phase 2a of the project and is working with Government to agree the next steps on this phase of the project.

The activity described below is needed either to finish work on an existing site, for the ongoing maintenance of a site, or for health, safety, and security reasons.

What we are doing

As part of our ongoing maintenance of sites along Lichfield Road, on **Monday 3 June** and **Monday 10 June 2024** we will be carrying out works to repair an existing gate.

On **Monday 3 June** Preparation and survey works at an existing gateway will be undertaken. Temporary two-way traffic lights will be installed to enable these works to be undertaken safely.

The repair to the gate will be carried out on **Monday 10 June** and we will need to install temporary two-way traffic lights to manage the safe movement of the vehicles in and out of the land.

If your journey is affected by these works, we appreciate your patience and understanding for any minor delay. We also urge you to allow additional time for your journey as necessary.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

Monday 3 June and
Monday 10 June 2024.

9am - 4pm

We will be on site one hour
either side of these times
for set-up and close-down.

What to expect

Some low-level noise.

What we will do

Install temporary two-way
traffic lights for safe
access to and from site.

Inform people in advance
of any changes to the
dates and working times
shown.

How will this affect you?

We will put the temporary two-way traffic lights in place from **Monday 3 June and Monday 10 June 9am to 4pm.**

The equipment we use may generate some low-level noise. We will be switching off engines when not in use and working during the day to minimise disturbance to residents.

The red shape on the map below shows where we will be installing the temporary two-way traffic lights.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit:

www.hs2.org.uk/in-your-area/contact-us/how-to-complain/

Reference number: HS2-EW-BB-Ph2A-Traf-48-16/05/2024
